TUITION PAYMENT OPTIONS AND AGREEMENT

Published program tuition: $6,000.00. Students may select one of the following payment arrangements: (1) payment in full of $6,000.00; (2) 12 monthly payments of $500.00; or (3) 4 trimester payments of $1,500.00. Each arrangement totals $6,000.00 if the standard program is completed. The student's selected payment arrangement determines payment timing, not a noncancelable obligation for the entire program. Students may withdraw by providing written notice. The published program tuition represents the cost of completing the standard program. Students may withdraw by written notice, and their financial responsibility upon withdrawal is determined under the applicable cancellation and refund policy. Amounts earned or due and any refund of advance payments are determined under the Enrollment Agreement, Appendix F, and applicable Oklahoma law.

SELECT ONE TUITION PAYMENT OPTION:

☐ Payment in full — $6,000.00

☐ Monthly installments — 12 payments of $500.00

☐ Trimester installments — 4 payments of $1,500.00

The student and NACR will document applicable payment due dates before enrollment. Automatic payment authorization applies only if the student selects automatic payments.

For the monthly payment option, tuition is due on or before the fifth (5th) day of each month. If automatic payments are authorized, processing occurs on the fifth or next business day when applicable. For full or trimester payment options, the agreed due date(s) will be recorded in the payment schedule.

If a payment is declined, fails, or is not received by the due date, access to classes and instructional materials may be suspended immediately unless prior arrangements have been made with the National Academy of Court Reporting, subject to applicable law.

CANCELLATION POLICY

A full refund of all monies paid will be made if an applicant is not accepted for admission, cancels in writing within three business days after signing and making the initial payment, or if the school closes prior to the start of training. A full refund will also be made if the applicant cancels prior to attending classes or does not commence training. Refunds will be made within 30 days. If the program is discontinued and no comparable program is available, the school will provide a full refund of tuition.

Refund Policy

Refunds are calculated using the student's termination date in accordance with Oklahoma Administrative Code 565:10-11-3.

Within the first week of training, the school shall retain no more than 10% of the contract price plus $150.00, not to exceed $350.00.

After the first week but within the first 25% of the period of enrollment, the school shall retain no more than 25% of the contract price plus $150.00.

After more than 25% but within 50% of the period of enrollment, the school shall retain no more than 50% of the contract price plus $150.00.

After completion of more than 50% of the period of enrollment, no tuition refund is required.

Application fees, books, software, equipment, and other separately identified non-tuition charges are excluded from the refund calculation.

WITHDRAWAL

Students should notify the National Academy of Court Reporting in writing of their intent to withdraw. Upon withdrawal, the student's financial responsibility for tuition and any refund due will be determined under the Cancellation and Refund Policy and applicable law. Any refund due will be calculated in accordance with the school's Cancellation and Refund Policy and applicable Oklahoma law.
